**Near You  
Le Renouveau  
pour vous**

I have been working in the Commission as a communication officer since 2009. I have been in 2 different agencies before, and had almost all types of contracts (temporary, contract agent 3a, contract agent 3b, official). I am Italian (with strong links to Sweden too).

## **Why I am candidate – What will be my priorities**

I believe in social dialogue, transparency and participation. I think our administration can - and should - listen to its staff to improve its processes and the quality of the working environment. My priority would be to increase the level of participation of staff in the decision making process, and to offer a service to colleagues in need for advice and support.
