

Union for Unity

Union pour l'Unité

The obvious choice : Vote U4U - List 2 Union for Unity !

**Why U4U would be
more efficient in
representing the staff ?**

**We have joined forces to encourage
a staff representation which is truly
democratic and inclusive of all staff.**

**We will bring trades unions closer to
the people they are meant to serve,
closer to the lives of our various
DGs.**

**We will end the possibility to be a
seconded trade unionist without
time limits.**

**Join us. Let's defend the European Civil Service. To find out
more, get involved in the debate, make proposals and act :**
