# On strike on 5 June 2013

Le Parlement européen méprisé,

La proposition de la Commission  
dénaturée,

Les procédures bafouées,

La fonction publique en danger,

**Commission: Retire ta proposition !  
de réforme du statut !**

The European Parliament despised,

Commission's proposal adulterated,

Due processes violated,

Civil Service endangered,

**Commission : Withdraw your proposal !  
for amending the Staff regulations**

**Réforme du Statut : c'est  
maintenant qu'il faut lutter  
pour préserver la fonction  
publique européenne !**

**Mercredi 5 juin : Grève  
interinstitutionnelle**

**Review of the Staff  
Regulations : Now is the  
time to fight for the  
preservation of the  
European Civil service !**

**Wednesday June, 5<sup>th</sup> : Inter-  
institutional Strike**

**This is not a reform. A reform shall improve things.**

**This is even not just austerity. Austerity shall bring necessary savings.**

**This is a bold political attack against all those who kept so far the European Union alive.**

**No to ill minded populism !**
