

Justyna CELEJ

Short resume :

Since 2014 I am OLAF Investigator in European Commission, where I am contributing to combat fraud. Before I was working in European Court of Human Rights and in Poland as a lawyer.

I am fully behind U4U values and I would like to promote its activities in both individual and collective dimensions.

My main priority is to improve awareness of individual rights of Staff Members in EU Civil Service. My activity will aim to improving gender balance, better career development and comfortable working environment in EU Institutions with a positive impact on our life.
