

Marilena DI STASI

Short resume : DG, job, status, language spoken, previous activity in trade unions etc

Why I forward my candidacy: To be more involved in the key activities that concerns staff and related issues with the aim of giving my input in terms of ideas and suggestions.

What are my priorities: My key priority that explains my engagement is also related with my status of being a contractual agent. I think new ways of influencing the decisional making process about the length of our contracts may be introduced in the on-going discussion.

What will be my pet subjects: gender equality and contractual agent rights

My commitments (availability...): I could attend the weekly meetings once per month at least for the moment.
