Who I am

I joined the European Commission 22 years ago after 20 years in France Telecom, where I created a CFDT (Confederation Francaise du Travail) section in a subsidiary of FT.

Within the DG INFSO, I have contributed to the development of Information society in Europe.

I am one of the fonder of U4U. Since its creation, I have followed the 55+ dossier and I am the local representative of U4U at DG INFSO.

Why I am candidate – What will be my priorities

I am candidate for the following reasons:

- 1- to improve EU staff working/employment conditions and specially to listen and help locally my colleagues in their everyday difficulties.
- 2- to support U4U values and activities in both individual and collective dimensions,
- 3- to reinforce the role of the Commission in the new EU institutional architecture in the Lisbon Treaty,
