

Jutta König-Georgiades

I joined the Commission in 1996. Since then, I have been working as an administrator, mainly in the area of youth policy and the Youth in Action Programme, the European Year of Volunteering 2011 and the Europe for Citizens Programme. I have been following U4U since its foundation and want to get more involved.

Why I am I a candidate – what will be my priorities:

I am a candidate for four reasons

- To promote U4U values at individual and collective level;
- To join the collective efforts to improve staff working conditions and defend the interest of staff vis-à-vis the institution;
- To participate in the dialogue on the future of the European public service.
- Because I care!
