

Marie LAGARRIGUE

**DG EMPL, Deputy Head of Unit 'Labour Law',
French, English, Spanish**

My candidacy is based on a strong personal belief in social democracy in Europe, and since charity begins at home, I would be pleased and honoured to make a modest contribution inside the Commission.

My priority is to make sure that all staff takes part to the future of its Institution in the best way possible and that conditions for this are available (excellence in management, career and talent development and management, organisational design prone to efficiency, independence and innovation, etc).

I will be happy to help on HR policies regarding management, career, talent/skill and organisational development.

I will strive to make useful contributions while pursuing an intense investment in another passionating field, i.e. EU Labour Law
