Why I am candidate – What will be my priorities

I am candidate for 3 main reasons:

- 1- to support U4U values and activities in both individual and collective dimensions,
- 2- to reinforce the role of the Commission in the new EU institutional architecture in the Lisbon Treaty,
- 3- to improve EU staff working/employment conditions to reinforce the EU project towards new challenges ahead

My priorities will be to ensure a fair implementation of the new staff regulation in all its dimensions to improve staff working conditions and reinforce confidence in our institutions, to develop further the dialogue between staff and managers to better achieve our goals, being more efficient in a user-friendly context.

I will be committed to ensure better relationship with our colleagues in different European institutions we are working with notably in the Council, the EP, the CoR and CESE.
