Central Staff Committee Resolution on #sofagate

The Central Staff Committee (CSC) of the European Commission is saddened by the recent political events which involved President Von der Leyen. We stand firmly next to our President and we cherish that for the European institutions GENDER EQUALITY is our highest value as this is also endorsed by the United Nations Sustainable Development Goal #5, Article 2 of the Treaty on European Union, and Articles 21.1 and 23 of the Charter of Fundamental Rights of the European Union.

The recent event showcases the continued need for standing up individually and unified for our core European values.
